

## mt-propeller TP FAA – STC Installation List 2016

**For Pilatus PC-12 All Models  
EASA STC AS03217  
FAA STC SA 02742NY**

Propeller	Features	Price with exchange US\$
MTV-27-1-N-C-F-R(P)/CFR260-65a	Nickel Wide Cord Leading Edge	\$56,250
	Spinner - P-1059	5,600
	Electric DeIce Boots, Stainless Steel Slip Ring	<u>6,000</u>
	<b>Total</b>	<b>\$67,850</b>

- Propeller blades are manufactured in natural-composite, protected by layers of carbon fiber and nickel erosion sheet.
- Hubs are made of forged aluminum alloy, aluminum spinner dome or optional Kevlar spinner dome for painting.
- Standard blade color: black with white tips with nickel leading edge.
- All quoted prices are list prices for the export, ex factory Straubing, Germany, and in exchange for the old Hartzell propeller and spinner assembly. If the propeller is not exchanged, add \$15,000 to the price.
- Our general terms of sales and limited warranty apply.
- All rights of change without prior notice are reserved.
